The Registrar,
Malawi College of Health Sciences,
P.O. Box 30368,
Lilongwe 3.

Dear Sir,

RE: APPLICATION FOR ADMISSION INTO BASIC ACADEMIC PROGRAMMES

I am writing to express my strong interest in applying for admission into the Malawi College of Health Sciences for the upcoming academic intake. As a recent secondary school graduate with a deep passion for healthcare, I am eager to acquire the professional skills necessary to serve the Malawian community.

My preferred programs, ranked by priority, are as follows:

1. **First Choice:** Nursing and Midwifery
2. **Second Choice:** Public Health
3. **Third Choice:** Community Healthy Nursing and Midwifery

I recently completed my secondary education at Diversity Academy Secondary School, where I sat for the Malawi School Certificate of Education (MSCE) during the 2022 – 2026 academic period. Throughout my studies, I focused heavily on science subjects, which has provided me with a solid foundation in the core principles required for rigorous healthcare training.

I am deeply drawn to the Malawi College of Health Sciences because of its outstanding reputation for producing highly competent health professionals in the country. I am a disciplined, hardworking, and compassionate individual who is ready to dedicate myself fully to the challenges and responsibilities of medical training.

Please find attached my Curriculum Vitae (CV), a copy of my MSCE results notification, a copy of my national identity card, and the bank deposit slip as proof of application fee payment.

Thank you for considering my application. I look forward to your favorable response.

Yours faithfully,

A handwritten signature in blue ink, consisting of a stylized 'F' followed by a series of loops and a horizontal line.
